Welcome to “A Healthy State of Mind”! This is your host, Bo Deaton.

Do you like to get dressed-up? I know I do! But I also enjoy my down time. I might go some-place special and put on my very best. When I get home I put on my more comfortable clothes. However, at all times I believe I should look my very best. Not only should I look my best, I should be my very best.

I love the clothing my Lord gives His children to wear. Let me describe it to you.

Therefore, as God’s chosen people, holy and dearly loved, clothe yourselves with compassion, kindness, humility, gentleness and patience. Bear with each other and forgive one another. Forgive as the Lord forgave you. And over all these virtues put on love, which binds them all together in perfect unity. What a beautiful site when you wear God’s clothing.
