

Welcome to “A Healthy State of Mind”! This is your host, Bo Deaton.

There seems to be a lot of talk now days about being ready! You might say “ready for what”? Everyone seems to have a different response. Ready for spring, ready for the next snow, ready for the presidential election, ready for the fall of the stock market?

I suppose one could be ready for any or all of those. Let’s see, spring will be here soon, I’m not ready for the next snow, I wish the presidential election was past, I don’t have any silver or gold in my portfolio, but I am going to a place where the streets are paved with gold and we won’t have to worry about any of those things. There will not be a president but the Kings of Kings and the Lord of Lord’s will live with those who are ready.

Hey! I’ve got one, are you ready for the end of time? No one knows about that day or hour, not even the angels in heaven, nor the Son, only the Father. Therefore be ready, because you do not know on what day your Lord will come.
