“A Healthy State of Mind”

Welcome to “A Healthy State of Mind”! This is your host, Bo Deaton.

I know it’s hard to believe that many years ago I was in the 8th grade. I can remember when I was asked by my teacher what I wanted in life, I told her I wanted three things. I wanted to be trusted and respected, I want a lot of friends and I want to be successful.

As I have grown into maturity and have had many years of experience. Every day since I made that statement I have been working on being someone who is trusted and respected. I have also learned, in order to have a lot of friends being trusted and respected is a requirement for true friendship.

Success, now that’s a different story. My definition of success is very simple. Success is “Having a lot of Friends and being trusted and respected.

Ephesians 2: 10 For I am God’s handiwork, created in Christ Jesus to do good works, which God prepared in advance for me to do.
